

Alabama Driver's Manual Test

This test is a major portion of your grade. Read all the questions and answers carefully. Then, circle the letter that best answers the question. When you are finished, check to ensure you have answered every question.

1. When following a motorcyclist you should:
(Page ~~12~~) ~~24~~ 24

- a. Follow at a distance given any other vehicle
- b. Increase your following distance
- c. Decrease your following distance

2. If you change your address, you must ¹⁵ notify the Driver License Division: (Page ~~8~~)

- a. Within 30 days
- b. When your license is renewed
- c. Within 1 year

3. If you are driving in a wide lane and a motorcyclist is riding far to one side, you should: (page ~~18~~) ~~24~~ 24

- a. Move into the same lane alongside the motorcycle
- b. Never move into the same lane alongside the motorcycle
- c. Blow your horn and pull alongside the motorcycle

4. If a tire blows out, the driver should: (Page ~~54~~) ~~71~~ 71

- a. Switch off the ignition
- b. Hold tightly to the steering wheel
- c. Brake hard

5. Should the headlights fail completely, the driver should first: (Page ~~52~~) ~~73~~ 73

- a. Pull off the road
- b. Drive to a service station
- c. Slow down and try to keep the car on the pavement until speed is reduced

6. To pull out of a skid, a driver should:
(Page ~~49~~) ~~70~~ 70

- a. Press the brake pedal to the floor
- b. Turn the steering wheel in the direction that the rear of the car is skidding

- c. Not turn the steering wheel in either direction

7. Drivers hearing a siren or seeing the flashing red or blue lights of an emergency vehicle must pull over to the: (Page ~~42~~) ~~66~~ 66

- a. Right lane and slow down
- b. Curb or side of the road
- c. Must reduce speed

8. When making a right turn on a red signal light: (Page 34) 63

- a. The vehicle has the right of way
- b. The pedestrian has the right of way

c. You must continue turning without stopping

9. Glare from oncoming headlights can be reduced by: (Page 48) 68

- a. Directing your vision to the right edge of the pavement
- b. Stare at the center line of the road
- c. Slow down while your eyes adjust

10. Failure to stop, render aid, or identify yourself in the event of an accident when personal injury is involved can result in the: (Page 8) 17

- a. Revocation of your drivers license
주권 해제
- b. Denial of the renewal of your license
- c. An additional 6 points being placed against your driving record

11. If you see a car coming toward you in your lane, you should: (Page 52) 72

- a. Pull to the left and increase speed
- b. Pull to the right and slow down
- c. Slow down and turn into the left lane

12. Good posture at the steering wheel is important because: (Page 21) 20

- a. It results in better vision
- b. It allows you to grip the steering wheel tightly
- c. It enables you to drive with one hand on the steering wheel

13. Your driver license may be suspended if: (Page 5) 18

- a. You accumulate 8 points on your driving record
- b. You are a competent motor vehicle operator
- c. You are convicted of racing on the highway

14. When parking headed downhill, you should turn the front wheels: (Page 13) 26

- a. Straight ahead
- b. To the curb or road shoulder
- c. Away from the curb

15. If you miss your intended freeway exit, you should: (Page 55) 76

- a. Proceed to the next exit
- b. Back your vehicle with emergency signal lights flashing
- c. Stop your vehicle and attempt to turn around

(water skiing.)

16. In hydroplaning: (Page 50) 70

- a. The tire rides up on a film of water
- b. The tire travels on a level plane
- c. Friction is reduced about 50 percent

17. In transporting school children, the DEATH ZONE is: (Page 58) 79

- a. The route the bus travels
- b. The area around the stopped school bus
- c. All railroad crossings

18. A simple precaution in avoiding carbon monoxide poisoning is: (Page 51) 71

- a. Idle the motor with all the windows closed tightly
- b. Warm up your motor in a closed garage
- c. Check your exhaust system regularly to prevent leaks

19. "Implied Consent" means: (Page 19) 34

- a. When a driver operates a motor vehicle on a public highway, it is deemed he has given consent to the chemical test if suspected of driving under the influence.
- b. Implies that he is qualified to drive any type motor vehicle upon a public highway
- c. Implies he will not drink and drive upon a highway of this state

20. Alcohol is a: (Page 98) 34

- a. Stimulant - It increases the reflexes and alertness
- b. Depressant - It slows normal reflexes and alertness
- c. Protein

21. In dense fog, the driver should: (Page 50) 71

- a. Keep the headlights on low beam and reduce speed
- b. Drive at variable speed, use high beams, prepare to stop quickly
- c. Drive at a constant speed, alternate use of high and low beams, drive partly on the shoulder

22. One of the reasons that freeways are the safest of all roads is that there is an absence of: (Page 52) 74

- a. Cross traffic
- b. Motorcycles
- c. Fast-moving cars

23. Alabama's basic speed rule provides: (Page 21) 57

- a. You may drive at the maximum speed under any condition
- b. You may drive 55 m.p.h. in all urban districts
- c. Speed must be reasonable under existing conditions

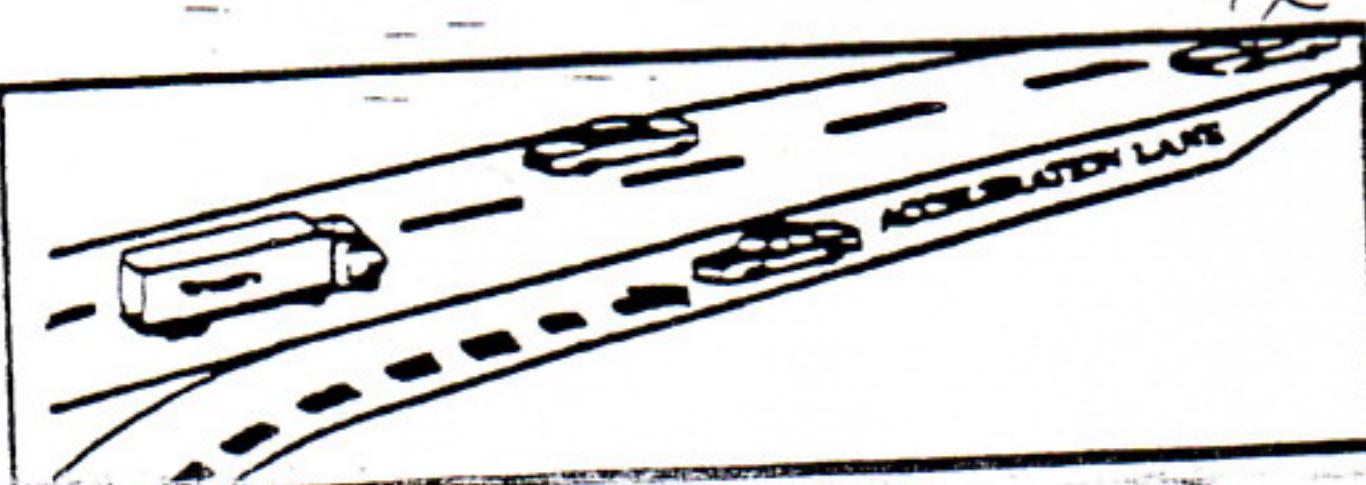

24. Accident records show the greatest percentage of highway crashes are caused by: (Page ~~12~~ ~~31~~ 31)

- a. Alcohol
- b. Vehicle defects
- c. Driver error.

25. When parking on an upgrade on a two-way street where there is no curb, leave your front wheels: (Page ~~14~~ ~~27~~ 27)

- a. Turned to the right
- b. Turned slightly to the left
- c. Facing straight ahead.

26. The diagram below indicates a car entering the freeway. Which one of the procedures should he follow? (Page ~~53~~ ~~7X~~ 7X)

- a. Increase his speed in the acceleration lane to match that of other vehicles in thru lanes
- b. Move slowly into the lane of traffic
- c. Immediately drive into the traffic lane, as other traffic will move over for him

27. For maximum effectiveness, a seat belt should: (Page ~~12~~ ~~30~~ 30)

- a. Be drawn snugly across the hip bones
- b. Fit snugly across the abdomen
- c. Fit loosely over the waist

28. A stop sign means: (Page ~~25~~ ~~42~~ 42)

- a. Slow down to 5 miles per hour
- b. Proceed cautiously if there is no traffic within a block

c. Come to a complete stop

29. The formula now used in following another vehicle is: (Page ~~21~~ ~~36~~ 36)

- a. The two-second rule
- b. Two car lengths for every ten miles of travel
- c. One car length for every twenty miles of travel

30. Rear end collisions are the most common type of accident. They are caused by: (Page ~~24~~ ~~36~~ 36)

- a. High speed
- b. Improper brakes
- c. Following too close

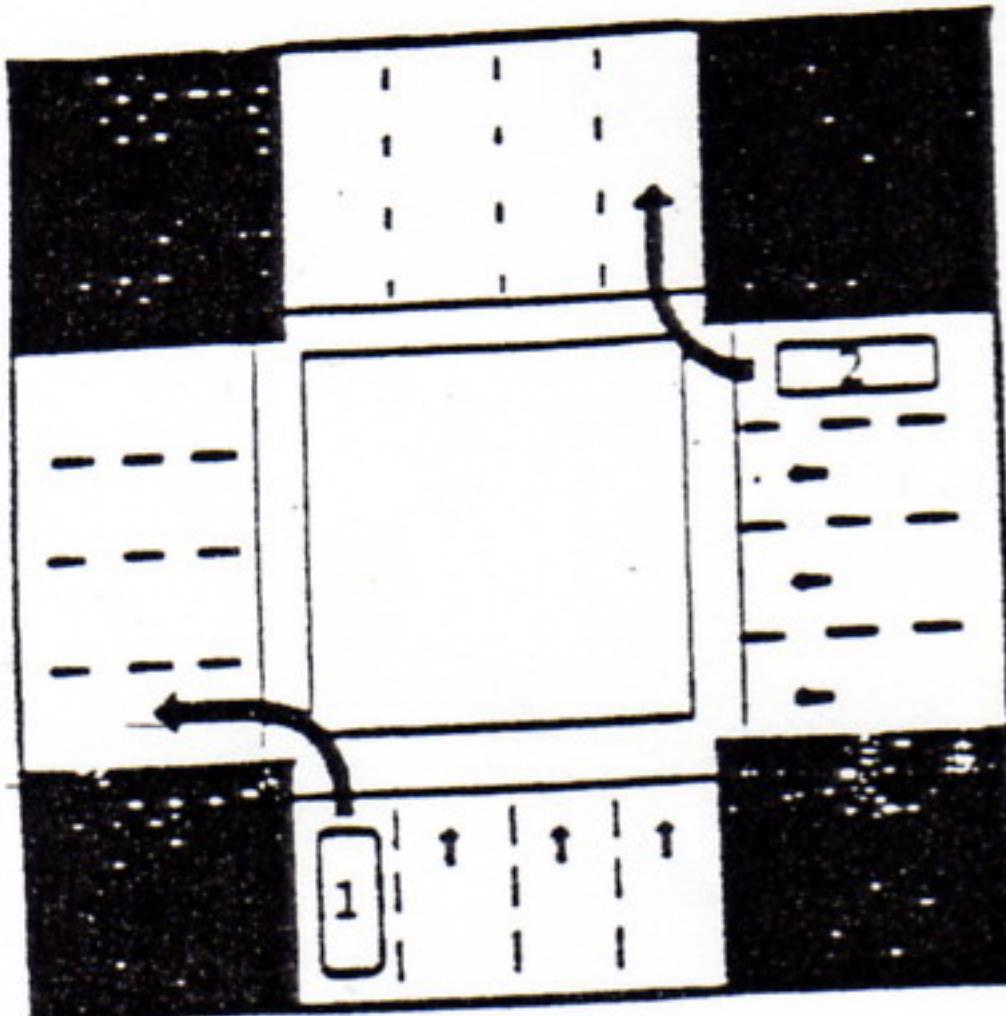

31. If your right wheels get off the pavement on the rough shoulder of the road, you should: (Page ~~52~~ ~~72~~ 72)

- a. Make an emergency stop
- b. Stay on the shoulder, slow your speed, then return to the pavement
- c. Turn the steering wheel quickly to get back on the pavement

32 If our car plunges into deep water, but does not sink, you should IMMEDIATELY: (page 52) 73

- a. Open the door and summon help
- b. Get into the air area, breath deeply, and wait for the car to settle
- c. Escape through a window

33. The diagram below shows vehicle #1 and #2 making a proper turn. One of the following answers is correct: (Page 22) 22

- a. Vehicle #1 is turning from a one-way street to a two-way street
- b. Vehicle #2 is turning from a one-way to a one-way street
- c. Vehicle #1 is turning from a two-way to a one-way street

34. The distance required to stop your car is important in determining: (Page 22) 36

- a. A safe driving speed
- b. A faster method of passing other vehicles
- c. Your signalling ability to other vehicles

35. When railroad gates are down: (Page 24) 39

- a. Drive around the gates
- b. Cross the tracks at a slow speed
- c. Stay in place until the gates are raised

36. A driver involved in an accident is required to file an accident report with the Department of Public Safety when: (Page 23) 38

- a. No investigation of an accident is made
- b. When there is personal injury or damage to any vehicle or other property in the amount of \$250.00 or more
- c. You do not have liability insurance on your vehicle

37. The best precaution to take when driving with limited visibility is to: (Page 50) 6A

- a. Reduce speed
- b. Try hydroplaning
- c. Increase speed

38. The stated minimum distance for signalling prior to a turn is: (Page 10) 21

- a. At least 100 feet
- b. At least 60 feet
- c. At least 25 feet

39. The regulatory sign to indicate speed limit is: (Page 28) 44,43

- a. Triangular in shape
- b. Circular in shape
- c. Rectangular in shape

40. In leaving a parallel parking space, the driver should: (Page ~~10~~) 10

- a. Look in the rearview mirror and over his shoulder
- b. Use only the rearview mirror
- c. Look over his shoulder only

41. The effect of mixing a drug and alcohol is: (Page ~~24~~) 35

- a. Greater than alcohol or drug used alone
 - b. Equal to the one which has the most serious effect
 - c. Equal to the average effect of the two
42. While under the stress of strong emotion, it is best: (Page ~~17~~) 31
- a. To let someone else drive
 - b. To drive with a friend
 - c. Not to think of other drivers

43. When parking on an upgrade with a curb: (Page ~~14~~) 27

- a. Turn the front edge of your front wheels to the curb
- b. Turn the back edge of your front wheels to the curb turn wheels away from curb.
- c. Keep your front wheels parallel to the curb

44. State law requires headlights be turned on: (Page ~~45~~) 67

- (30%) a. One-half hour after sunset to one-half hour before sunrise or when you cannot see clearly for 500 feet.
- b. Only when you cannot see clearly for 500 feet
- c. Only at night

45. When a driver's hand and arm are extended downward, he is signalling to: (Page ~~36~~) 64

- a. Stop or slow down
- b. Turn right
- c. Turn left

46. If you must change lanes to pass or leave the freeway, you should FIRST: (Page ~~52~~) 74

- a. Check traffic carefully and signal well in advance of your move
- b. Pass on either the right or left lane by increasing your speed
- c. Increase your speed when exiting to clear traffic

47. A person carrying a white cane tipped with red usually means: (Page ~~34~~) 63

- a. The person is too old to walk without a cane
- b. The person is deaf
- c. The person is blind

48. When passing a car on a two-lane highway, you should: (Page ~~43~~ 62)

- a. Not return to the right lane until you see the vehicle you have just passed in your rearview mirror
- b. Blow your horn and pass on the right
- c. Return to your lane immediately and slow down.

49. If a driver approaches a school bus displaying flashing red lights with an extended stop signal arm, he must: (Page ~~42~~ 59)

- a. Stop only if he is behind the bus
- b. Stop only if he is meeting the bus
- c. Stop regardless of his direction of travel

50. When following another vehicle at night you should: (Page ~~40~~ 67)

- a. Follow no closer than 500 feet
- b. Put on your emergency flashers
- c. Dim your headlights if you are within 200 feet of the vehicle ahead

51. What is the safest way to stop on ice? (Page ~~48~~ 69)

- a. Take your foot off the accelerator
- b. Apply hard, steady brake pressure
- c. Apply the brakes gently

52. When entering a freeway: (Page ~~25~~ 74)

- a. Enter the acceleration lane and increase your speed to match the vehicle in the thru lanes
- b. Move slowly into the lane of traffic
- c. Drive into a traffic lane immediately, because other traffic will move over for you

53. Alabama law states all automobiles must have: (Page ~~58~~ 77)

- a. A parking brake only
- b. A regular foot brake only
- c. A regular foot brake and a parking brake
= (broken)

54. A skipped yellow center line dividing a two-lane road means: (Page ~~36~~ 52)

- a. Passing permitted
- b. Passing not permitted
- c. Passing prohibited in both directions

55. A flashing circular red traffic light means: (Page ~~38~~ 54)

- a. The same as a stop sign
- b. The same as a yield sign
- c. The same as a flashing yellow traffic light

56. A green arrow pointing right used with a red signal light means: (Page ~~38~~ 56)

- a. All motorists must stop
- b. Those going right must stop and then turn
- c. Those turning right can proceed in the direction of the arrow

57. What is your FIRST obligation in case you are involved in an accident? (Page ~~23~~ 37)

- a. Stop at once and aid all injured persons

b. Report to the State Troopers

c. Get the names of the witnesses

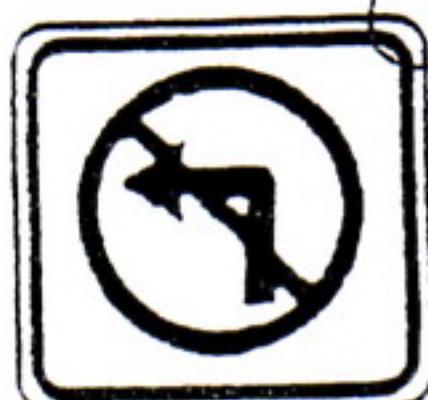

58. When making a left turn at an intersection or a driveway, you must: (Page ~~43~~ 61)

a. Yield right of way to vehicles approaching from the rear

b. Yield right of way to vehicles approaching from the opposite direction

c. Continue your turn as other vehicles approaching from the opposite direction will yield right of way

59. This sign pictured below means: (Page 42)

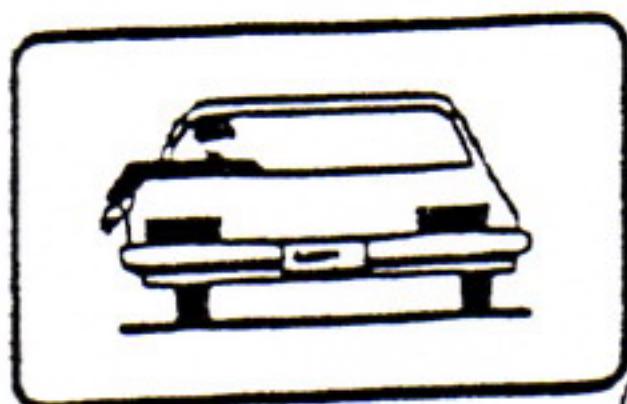

- a. You must not make a left turn at this intersection

b. You must not make a U-turn at this intersection

c. One way street to the left

60. The diagram below shows the driver of a car signalling to make a: (Page ~~46~~ 65)

- a. Left turn
- b. Right turn
- c. Stop or slow down

61. This sign pictured below means: (Page 46)

a. There is a one-lane bridge ahead

b. There is a stop sign ahead

c. There is a yield sign ahead

62. This sign pictured below means: (Page 48)

a. Railroad crossing ahead

b. Road crosses the highway ahead

c. Construction ahead, slow your speed

63. This sign pictured below means: (Page 44)

a. Curve to the right

b. Hill to the right

c. Sharp turn to the right

64. This sign pictured below means: (Page 41)

a. Construction

b. School Warning

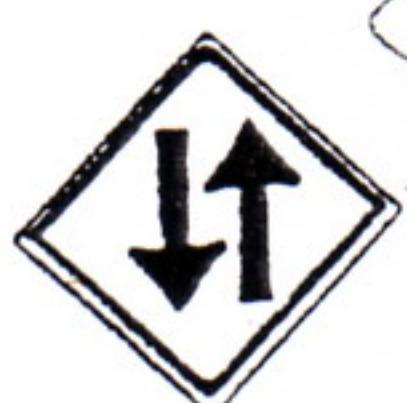

c. Pedestrian

65. This sign pictured below means: (page 48)

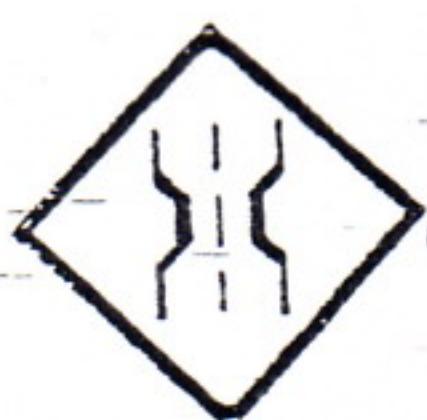

- a. You must yield to pedestrians
- b. You must yield to school children in the crosswalk
- c. Flagman ahead, yield and slow down

66. This sign pictured below means: (page 48)

- a. You are reminded you are on a two-way road
- b. You are reminded to reduce your speed
- c. You will be merging with other traffic travelling in the same direction

67. This sign pictured below means: (49)

- a. Slow down, dip in the road
- b. Narrow bridge ahead
- c. The road ahead angles to the inside, slow your speed

68. This sign pictured below means: (41)

- a. No passing zone
- b. Yield right of way
- c. Construction

69. This sign pictured below means: (42)

- a. You must not make a left turn at this intersection
- b. You must not make a U-turn
- c. You must turn left

70. This sign pictured below means: (41)

- a. Red light ahead
- b. Stop
- c. Stop sign ahead

71. This sign pictured below means: (47)

- a. There is a traffic signal ahead
- b. There is a stop sign ahead
- c. There is a yield ahead

72. This sign pictured below means: (48)

- a. Slippery when wet
- b. Divided highway ahead
- c. Narrow bridge

73. This sign pictured below means: (49)

- a. Road ahead is slippery when wet, slow down
- b. Road ahead is slippery; all the time, slow down
- c. You must not drive on the highway when it is wet

74. This sign pictured below means: (47)

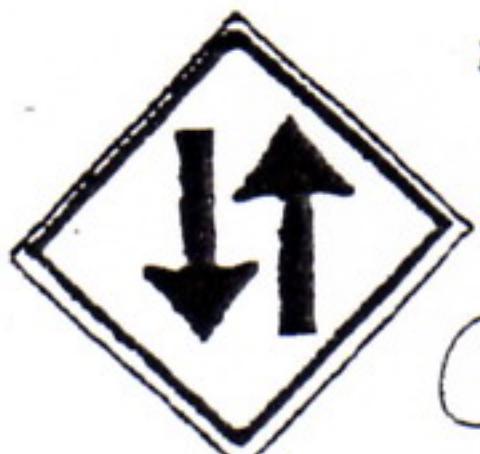

- a. Side road enters
- b. Number of highway lanes ahead change
- c. Detour

75. This sign pictured below means: (41)

- a. Yield right of way
- b. Railroad crossing
- c. Stop

76. This sign pictured below means: (48)

- a. Merging traffic
- b. Four lane ahead
- c. Two-way travel reminder

77. This sign pictured below means: (46)

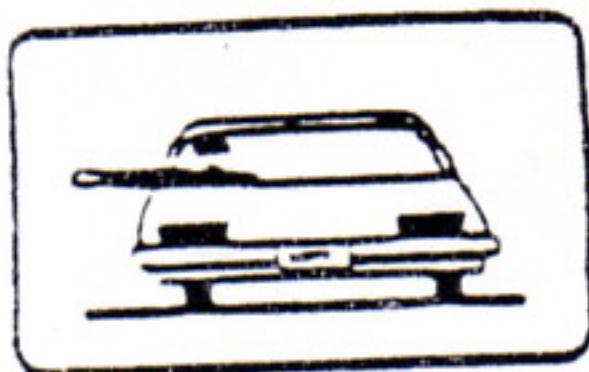

- a. Sharp turn to the right, then sharp turn to the left
- b. Winding road
- c. Intersection to the right, then intersection to the left

78. This sign pictured below means: (45)

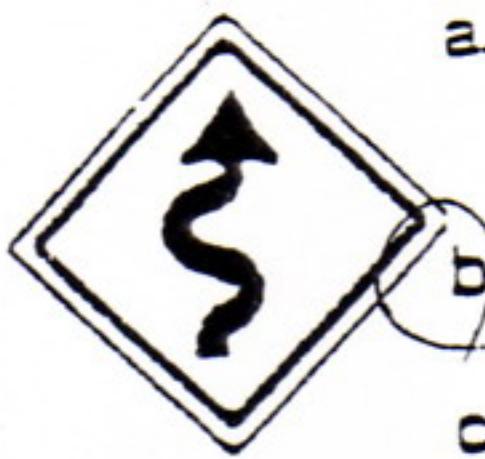

- a. Side road enters highway ahead at an angle
- b. Exit ramp to a freeway
- c. Another road crosses the highway ahead

79. The diagram below shows the driver of a car signalling to make a: (Page 48) 65

- a. Right turn
- b. Left turn
- c. Stop

80. This sign pictured below means: (45)

- a. Gradual curve to the right then curve to the left
- b. Winding road
- c. Sharp turn to the right

81. This sign pictured below means: (47)

- a. The street has no outlets
- b. Pavement ends
- c. Reminder to merge into adjacent lane

82. This sign pictured below means: (44)

- a. You must not drive to the left of this sign
- b. You must not drive to the right of this sign
- c. You are entering a one-way street

83. This sign pictured below means: (49)

- a. Slippery when wet
- b. Divided highway ends
- c. Winding road ahead

84. The diagram below shows the driver of a car signalling to make a: (Page 48) 65

- a. Left turn
- b. Right turn
- c. Stop or slow down

85. This sign pictured below means: (46)

- a. There is a stop sign ahead
- b. There is a red light ahead
- c. There is a yield sign ahead

86. This sign pictured below means: (42)

- a. Stop
- b. You must yield right of way
- c. Warning

87. This sign pictured below means: (46)

- a. There is a railroad crossing ahead. Slow down and be prepared to stop
- b. There is a cross road ahead. Be prepared to stop
- c. You are approaching an intersection. Reduce speed and be prepared to stop

88. This sign pictured below means: (41)

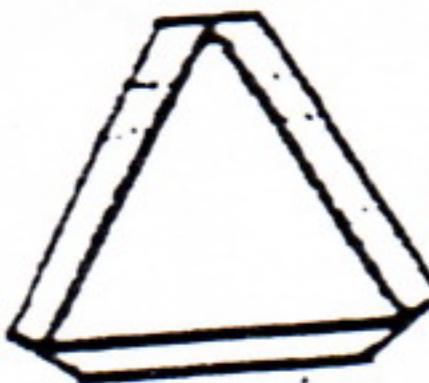

- a. Stop
- b. Warning
- c. Railroad warning

89. This sign pictured below means: (46)

- a. Yield ahead
- b. Slow moving vehicle
- c. No passing zone

90. This sign pictured below means:

- a. Construction area
- b. Slow moving vehicle
- c. Warning

(41)

91. Applicants must provide which means of identification to the examiner? (Page 30)

- a. Driver license from another state.
- b. Armed forces I.D. card
- c. Birth certificate (15 years and under)
- d. Any of the above.

92. Parking is permitted _____. (Page 34)

27

- a. In front of a driveway.

- b. Within 15 feet of a fire hydrant.

- c. On the right side of the road not prohibited by a sign or a yellow line.

93. To prevent "highway hypnosis" a driver should: (Page 30)

- a. Stop every 100 miles or two hours.
- b. Open a window and drink coffee.
- c. Play loud music.
